Commissioner of Patents and Trademarks

The reply filed on 11-11-2002 is not fully responsive to the prior Office Action because of the following omission(s) or matter(s): No arguments have been presented in the reply pointing out the specific distinctions believed to render the newly submitted claims 56-58 patentable over the applied prior art. See 37 CFR 1.111 and MPEP 714.02. Since the above-mentioned reply appears to be bona fide, applicant is given ONE (1) MONTH or THIRTY (30) DAYS from the mailing date of this notice, whichever is longer, within which to supply the omission or correction in order to avoid abandonment. EXTENSIONS OF THIS TIME PERIOD MAY BE GRANTED UNDER 37 CFR 1.136(a).
